

Good Night Lights!

Spread holiday cheer to Prisma Health Children's Hospital patients by turning on your porch light and displaying this coloring sheet in your window as a symbol of well wishes this holiday season. Share your coloring sheet on social media using **#GoodNightGVL** and tagging Prisma Health!

Good Night Lights is Dec. 5 at 7:00 PM. Visit GoodNightLightsGVL.org to learn more.

Continue spreading the holiday cheer through The Spirit of Giving!

The Spirit of Giving campaign, presented by WYFF 4, is an easy and rewarding way for our community to support young patients and their families served by Prisma Health Children's Hospital.

Prisma Health Children's Hospital treats over 500,000 children each year! That's a lot of children with lots of needs. These needs go beyond traditional medical care and include emotional support and security. Join The Spirit of Giving to help comfort and meet the needs of our children.

Help us make a child's day brighter!

Treatment can seem less scary with the distraction of a toy. A child may have a happier birthday with a small party while in the hospital. A visit from a facility dog makes everyone's day brighter. Care packages and game or movie nights go a long way toward mental and physical healing for children. These are just a few ways your contribution to The Spirit of Giving is used.

Because every "buddy" needs a Buddy!

Funds are limited for these types of needs, but you can make a difference. While any gift amount is greatly appreciated, you can send a Buddy to a child in the hospital for the following donations.

Donate \$25 – one child in the hospital receives a Buddy the Bear plush animal to keep forever.

Donate \$50 – two children in the hospital receive a Buddy the Bear plush animal to keep forever.

Donate \$100 – five children in the hospital receive a Buddy the Bear plush animal to keep forever.

Visit SpiritOfGivingGVL.org to share your spirit of giving this holiday season.
